Saturday's National Democratic County Convention.

In pursuance to a call by the County Chairman, "the Democrats of this county who are opposed to the platforms and doctrines of the Chicago Convention of June, 1896, and the Frankfort Convention of June 2, 1897," met in mass convention in this city, Saturday at two p. m., to select delegates for the State Convention to be held at Louisville, Wednesday, July 14, 1897, to nominate a candidate for Clerk of the Court of Appeals.

A. T. Forsyth, County Chairman, stated the purposes of the meeting and called the convention to order.

Judge J. Q. Ward was elected permanent chairman, and Bruce Miller, Secretary.

On motion of Buckner Woodford, which was adopted, the chair appointed a committee of three—Messrs. Buckner Woodford, Thos. J. Evans, and Claude Cantrill—to select delegates to send to Louisville.

Pending the report of the Committee on Delegates, Judge J. Q. Ward addressed the Convention on the importance of all persons in sympathy with the National Democrats attending the Louisville convention.

The Committee on Delegates reported the following gentlemen as Delegates, which report was adopted:

C. M. Clay, Jr., J. Q. Ward, John T. Hinton, Wm. Myall, A. T. Forsyth, Jos. A. Grimes, Bruce Miller, Henry Spears, Bennett E. Bean, T. J. Houton, George Graves, T. W. Woodward, John Marston, John A. LaRue, Neville Fisher, Woodford Clay, Jasper Offutt, Chas. Marshall, F. P. Walker, J. Harry Holt, F. P. Campbell, W. H. Anderson, Geo. W. Clay, and all other good National Democrats in Bourbon County.

On motion of Hon. C. M. Clay, Jr., which was adopted, the same list of Delegates was also appointed to attend the 28th Senatorial District Convention, the time and place of holding said Convention, not having yet been announced.

On motion of Wm. Myall the Convention then adjourned.

Something About Fusion.

LATELY several Kentucky exchanges have stated in positive terms that if the gold Democrats fused with the Republicans that they could never, by any stretch of imagination, be considered Democrats. Let's see, didn't every Bryan man in Kentucky last year fuse with the Populists when he voted for two Populist electors which the Kentucky State Democratic Committee placed on the Bryan ticket? Didn't the silver Democrats fuse when they voted for the Populist candidate for President? And have the silver Democrats heard that Mr. Bryan has just effected a fusion in Nebraska between silver Democrats, Populists and free silver Republicans—the overtures being made by the Bryan men? Sounds like the pot calling the kettle black.

THE Courier-Journal says: "The State Convention of National Democrats, which will meet in Louisville next Wednesday, will be remarkable for including among its delegates, not only many men of national reputation as Democratic leaders, but a large number of others whom the people of Kentucky have learned to look upon as representatives of the purest Democracy and the best citizenship. Mass conventions were held throughout the State Saturday. Most of them were well attended and all of them were earnest and enthusiastic gatherings. Among the delegates chosen are: John G. Carlisle, Gen. S. B. Buckner, James A. McKeuzie, W. C. P. Breckinridge, William Lindsay, J. R. Hindman, C. J. Helm, R. P. Jacobs, J. Q. Ward and a long list of others whose names are equally synonymous with genuine Democracy. The sentiment was largely against fusion with the Republicans on a candidate for Clerk of the Court of Appeals."

AN Associated Press dispatch from Carthage, Mo., Friday, says: "Mrs. Mary Ellen Lease, who is here as a lecturer at the Chautauqua Assembly, said in an interview to-day: 'The silver question is an issue of the past and will never again serve as the leading issue for the reform elements in politics. If Mr. Bryan is to make the silver question the dominant issue in the next campaign here is one woman who is against him. Socialism is the hope of the country, and in the next campaign the fight must be made for the industrial emancipation of the people.'"

Only One Standard

You and we may differ as to money standards and out of our very differences good may come. But we won't differ as to the merits of one standard emulsion of cod liver oil.

SCOTT'S EMULSION has won and held its way for nearly 25 years in the world of medicine until to-day it is almost as much the standard in all cases of lung trouble, and every condition of wasting whether in child or adult as quinine is in malarial fevers.

Differ on the money question if you will, but when it comes to a question of health, perhaps of life and death, get the standard.

Your druggist sells Scott's Emulsion. Two sizes, 50 cts. and \$1.00. SCOTT & BOWNE, New York.

"DR. MILES,

Through His Nerveine Is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 6th, 1895, as follows:

"Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nerveine, and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles, through his Nerveine is a benefactor to thousands."
